HOMEPAGE

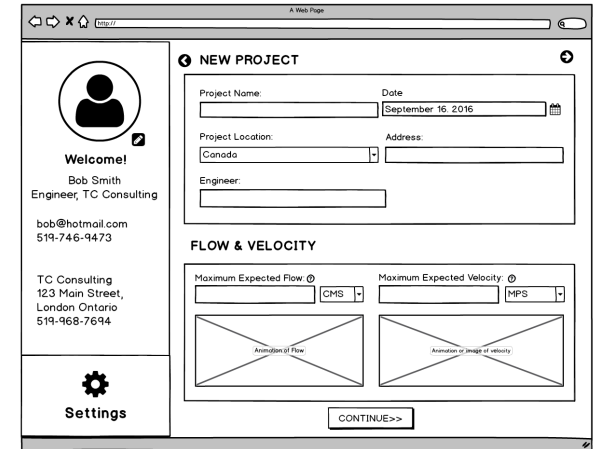

A desktop web browser window showing a homepage. The left sidebar contains a user profile for Bob Smith, Engineer at TC Consulting, with contact information and a settings gear icon. The main content area has a large placeholder image with an 'X'. Below it are three sections: 'Current Quotes' with a list of quotes, 'Start New Quote' with a plus icon, and 'Activity/Quote History' with a table of activities. At the bottom are 'FAQ's' and 'Tips' icons.

CURRENT PROJECTS PAGE

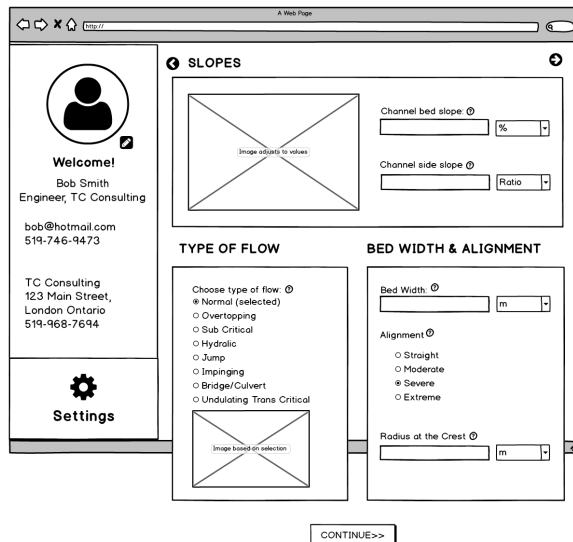

A desktop web browser window showing the 'Current Projects' page. The left sidebar is identical to the homepage. The main content area has a 'Current Projects' heading and a list of three projects. Each project entry includes a title, date, and a 'Continue' button. The bottom of the page has a settings gear icon.

FORM page 1

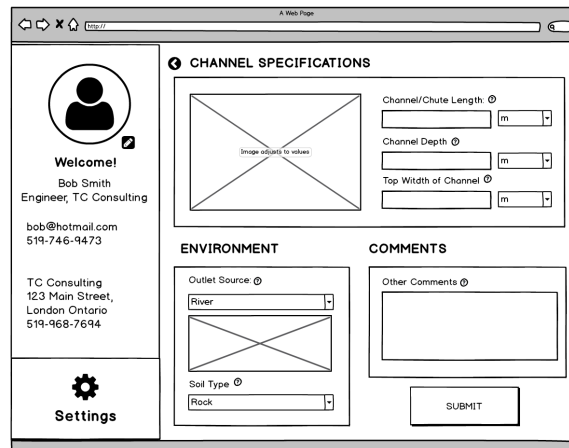

A desktop web browser window showing the 'NEW PROJECT' form. The left sidebar is identical to the homepage. The main content area has a 'NEW PROJECT' heading and a form with fields for 'Project Name', 'Date', 'Project Location', 'Address', and 'Engineer'. Below the form is a 'FLOW & VELOCITY' section with two diagrams and a 'CONTINUE>>' button. The bottom of the page has a settings gear icon.

FORM page 2

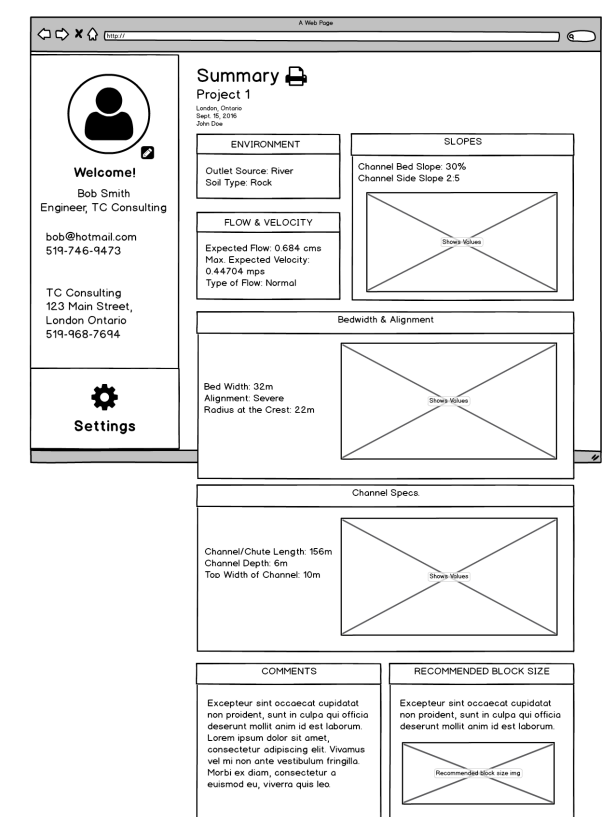

A desktop web browser window showing the 'SLOPES' form. The left sidebar is identical to the homepage. The main content area has a 'SLOPES' heading and a form with fields for 'Channel bed slope' and 'Channel side slope'. Below the form is a 'TYPE OF FLOW' section with radio buttons and a 'BED WIDTH & ALIGNMENT' section with a 'Bed Width' field and 'Alignment' radio buttons. At the bottom is a 'CONTINUE>>' button.

FORM page 3

A desktop web browser window showing the 'CHANNEL SPECIFICATIONS' form. The left sidebar is identical to the homepage. The main content area has a 'CHANNEL SPECIFICATIONS' heading and a form with fields for 'Channel/Chute Length', 'Channel Depth', and 'Top Width of Channel'. Below the form is an 'ENVIRONMENT' section with 'Outlet Source' and 'Soil Type' dropdowns, and a 'COMMENTS' section with a text area and a 'SUBMIT' button. The bottom of the page has a settings gear icon.

SUMMARY PAGE

A desktop web browser window showing the 'Summary' page. The left sidebar is identical to the homepage. The main content area has a 'Summary' heading and a 'Project 1' section. Below this are four sections: 'ENVIRONMENT', 'FLOW & VELOCITY', 'SLOPES', and 'Bedwidth & Alignment'. Each section contains a diagram and a table of data. At the bottom are 'Channel Specs' and 'COMMENTS' sections. The bottom of the page has a settings gear icon.
